AGREEMENT

The agreement is made on this day _____ 2017, at Raipur
(Chhattisgarh)

BETWEEN

Director, Directorate of Public Instruction, Chhattisgarh
represented by Collector.....District;

AND

----- **Successful bidder**

Each of the parties mentioned above are collectively referred to as the '*Parties*' and individually as a '*Party*'.

The agreement shall include all particulars, contents, Annexure, Schedules and other specifications of the RFP;

WHEREAS:

- A. Due to the implementation of different beneficially programs, the number of students being enrolled at secondary level is increasing every year. State has attempted to recruit teachers at secondary level to meet the requirements but not succeeded to get the required number of teachers to teach subjects like Mathematics, Physics, Chemistry, Biology, English and Commerce. This problem is more acute in the notified scheduled tribe blocks and notified MADA pocket areas of Raipur, Bilaspur and Durg Divisions. The age of adolescence is very sensitive, and Government need the children to be engaged in meaningful and constructive activities in schools and not remain idle without subject teachers to teach them.
- B. Many of the remote and affected areas have difficulty in attracting and retaining sufficient number of teachers due to high poverty and less facilities in such areas. Despite several attempts, there is difficulty in hiring qualified teachers in some subjects like Mathematics, Physics, Chemistry, Biology, English and Commerce.

- C.
